Please find below and/or attached an Office communication concerning this application or proceeding.

Response to Amendment

The reply filed on 10/06/04 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): One species has not been chosen from each group. As stated in the office action of 7/9/04, “an embodiment must be chosen from each group and each chosen embodiment should relate to the previous chosen embodiment, if applicable”. The requirement is directed to an election of species to different patentably distinct species (and not a restriction based on different inventions). See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to George R Evanisko whose telephone number is 571 272 4945. The examiner can normally be reached on M-F 6:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner’s supervisor, Angela Sykes can be reached on 571 272 4955. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
